Most ebook files open on your computer using a program you already have installed, but with your smartphone, you have to have a specific e-reader app installed, which your phone probably doesn't come with by default. You can use an e-reader app on your computer, too, to make reading and organizing your ebooks easy.

### Acer Aspire Manual Fan Control

My laptop Acer Aspire V17 Nitro (793G) is very noisy even when idle (0-4% CPU load). When I started any application, laptop rises the fan speed even if I run app or make a CPU load only for 1-3 seconds. How can I manually control speed fans? I find no software for fan control at the official site, but this noise is awful. Thanks for a help.

### How to manually control system fans on Aspire V Nitro VN7 ...

There are no downloadable fan controls that will work on Acers. You have a couple alternatives (which I told you about) that you have to figure out for yourself or nothing. You can also open your laptop and rewire the fan to a hot wire and run at 100% all the time. RE Everything looks promising and not terribly hard.
