Being Wrong Adventures In The

(pg 293) This is one of the most powerful ways being wrong can transform us: it can help us become more compassionate people. Being right might be fun but, as we've seen, it has a tendency to bring out the worst in us. By contrast, being wrong is often the farthest thing in the world from fun—and yet, in the end, it has the potential to bring

Being Wrong: Adventures in the Margin of Error: Schulz ...

Being Wrong is an exploration of how and why making errors is a crucial, natural and necessary component of being human, and how we must embrace being wrong to grow as people. Falling into the psychology versus scientific realm, Being Wrong provides an interesting history of wrongness using numerous examples of pop-culture incidents; if you can consider an intricate look at being wrong an interesting subject, that is.

In the spirit of Blink and Predictably Irrational (but with a large helping of erudition), journalist Schulz casts a fresh and irreverent eye upon the profound meanings behind our most ordinary ...

Nonfiction Book Review: Being Wrong: Adventures in the ...

Consider: "[B]ecause even the most seemingly bulletproof scientific theories of times past eventually proved wrong, we must assume that today's theories will someday prove wrong as well. And what goes for science goes in general—for politics, economics, technology, law, religion, medicine, child-rearing, education.
