Beyond Preservation Restoring Inventing Landscapes

One place to locate the ideas of ecological restoration and invention is in the tradition of political theory. Strict adherence to a policy of preserving nature from human dominion represents an assertion of nature's independence. Landscape restoration and invention, however, seem to entail the extension of human sovereignty over nature.

Dwight Baldwin, Jr., Judith de Luce, and Carl Pletsch -- "Sunflower Forest": Ecological restoration as the basis for a new environmental paradigm / William R. Jordan III -- The invented landscape / Frederick Turner --Restoration or preservation?

Beyond preservation: restoring and inventing landscapes

It is both sad and encouraging that humanity is debating preservation, restoration, and creation of landscapes. Beyond Preservation: Restoring and Inventing Landscapes will improve your understanding of this multifaceted debate, landscape changes (both natural and human-induced), the importance of biodiversity, niches that house diverse species, and our life-support system.

Beyond Preservation — University of Minnesota Press

Challenging the idea that preserving nature is the only solution to environmental problems, they advocate going beyond preservation to restoration and actual construction of our landscape. Fifteen respondents reflect on the implications and consequences of Turner's and Jordan's bold proposals.

Beyond Preservation: Restoring and Inventing Landscapes by ... Beyond Preservation proposes a framework for stabilizing and strengthening inner-city neighborhoods through the public interpretation of historic landscapes. Its central argument is that inner-city communities can best turn preserved landscapes into assets by subjecting them to public interpretation at the grass-roots.
