Cross-Cultural and Intercultural Communication | SAGE ...

Cross-Cultural Communication. This term is often confused with intercultural communication—but the two are not actually interchangeable! The key aspect of cross-cultural communication is the comparison between two (or more) cultures. Researchers in this field attempt to objectively analyze the communication styles for the same contexts in different cultures.

Cross Cultural, Multicultural, and Intercultural Communication

In cross-cultural societies, one culture is often considered “the norm” and all other cultures are compared or contrasted to the dominant culture. Intercultural describes communities in which there is a deep understanding and respect for all cultures. Intercultural communication focuses on the mutual exchange of ideas and cultural norms and the development of deep relationships. In an intercultural society, no one is left unchanged because everyone learns from one another and grows together.
