Engineer-In-Training Reference Manual: Lindeburg PE ...

5.0 out of 5 stars EIT REVIEW MANUAL 1997-1998. Reviewed in the United States on January 3, 2002. This was the only book I used to study for the EIT exam and I passed it on my first attempt. The reference material and sample problems provided are as close as they can be to the actual exam format and exam questions.

Eit Manual - dc-75c7d428c907.tecadmin.net

The review manual itself is a very thick book which consists of a ton of information, reading, and equations. I think they did an awesome job in finally updating the review manuals in color coding the equations with blue boxes which help you in studying, especially if all you care about are equations.
