European Public Sphere. SILKE ADAM. University of Bern, Switzerland. Public spheres are arenas in which (political) issues and positions are discussed. In democracies they are the crucial mechanism linking politics to citizens as they make elites' decisions and citizens' concerns transparent. In mass democracies, in which citizens have hardly any direct experiences with politics, it is the mass me

European Public Sphere

The English term “public sphere” is a translation of the German öffentlichkeit. The term translates into two related terms: “the public,” or the collective of speakers and listeners present in the public sphere, and “publicness,” or the state of being publicly visible and subject to scrutiny by the public.
