A few of my friends rode Western, but none of them had primed me with any Western horse riding tips. On my first day, one of the ranch hands that was riding with us immediately went into a full gallop across the field away from the barn so our horses took off after his. I managed to stay on throughout the gallop by gripping the horn for dear life.

Walk Warm-Up: In general, every horse and rider needs time to prepare for the first working set. Take approximately 10 minutes to walk on a loose rein (an older, stiffer horse may work better with 20 minutes of walking). Begin by focusing on your horse and your ride. Forget about what you have to do when you get home, what went wrong that day, etc.
