Jacques Lacan is considered as one of the most controversial psycho-analyst since Freud. He was born on April 13, 1901. He remained one of the most influential figures in Parisian academic circles for most part of the twentieth century.

Jacques Lacan - Biography, Books and Theories

Lacan is another psychoanalyst who reworks on Freud in connection with poststructuralist theories, which refuses the concept of objectivity and, as Lacan would want us to believe, that subjectivity is the truth—the, for instance, subjects who say: “I play football,” doesn’t refer to himself or the ego but the one that plays the football; therefore, the player is subjected to ‘I’ that is used to refer him—nothing more than that.
