Kurt Weill The Threepenny Opera

The Threepenny Opera (Die Dreigroschenoper) is a "play with music" by Bertolt Brecht, adapted from a translation by Elisabeth Hauptmann of John Gay's 18th-century English ballad opera, The Beggar's Opera, and four ballads by François Villon, with music by Kurt Weill. Although there is debate as to how much, if any, Hauptmann might have contributed to the text, Brecht is usually listed as sole author.

Although set in Victorian England, the tone of The Threepenny Opera reflects the climate of Germany at the time Brecht wrote it—a few years before Hitler's ascendancy. His Marxist view motivated him to angle The Threepenny Opera to inspire social change. Indeed, his text reflects Marxist thought by criticizing the superstructure of bourgeois ideology—specifically family, science, charity, and religion.
