**The 2020 SID Service kit can be used to service SID 2017, 2018, and 2019 forks when the compatible grease and oil are used. NOTICE 2020 SID service kits require RockShox Dynamic Seal grease and 0w-30 oil. It is critical to use the grease and oil that is compatible with the service kit, as listed above, for optimal suspension performance.

RockShox even prints the recommended air pressure settings on the rear of the leg and sag markers on the stanchion. No need to scrabble around for a tape measure or the manual. The RLT model tested here boasts an adjustable lockout threshold so you can set just how much force is required to overcome the lockout.
