### Short Guide To Writing About

This brief guide takes students step-by-step through the writing process—from choosing a topic, to outlining, drafting, and revising their papers, to seeking feedback from peers. In addition, it presents thorough discussions of researching psychological literature, focusing on online and database research, and presenting those findings in written and oral formats.

Timothy Corrigan's Short Guide to Writing about Film was actually a pleasant read- even outside of the classroom. Good examples of classic film medias, great knowledge behind the statements presented. Could be a little more updated- not sure if a 9th edition exists, but would be more helpful for newer film reviewers/editors.
