Working While Student Teaching . Most students find it very difficult to work and student teach. Think of student teaching as your full-time job. You will actually be spending more hours than a typical school day in the classroom, planning, teaching, and consulting with your teacher. By the end of the day, you will be extremely tired.

What Is Student Teaching Really Like? - ThoughtCo

Co-teaching is defined as two or more teachers working harmoniously to fulfill the needs of every student in the classroom. Co-teaching focuses the student on learning by providing a social networking support that allows them to reach their full cognitive potential. Co-teachers work in sync with one another to create a climate of learning.

Teacher - Wikipedia

You can't reach every student with a single teaching style. You must pay attention to what your students need and adjust as necessary. There is no single best teaching style. As I said earlier, that's what made my dad a great teacher. He was able to sense the needs of his students and adjust his style to match what they needed.

The Best Teaching Styles Every Teacher Should Know
