In The Head Game, Kahn investigates not only grips, tactics, and physics, but also the intelligence, maturity, and competitive fire that has inspired some of the greatest hurlers in history. By covering renowned pitchers and pitching minds-from Christy Mathewson, Cy Young, Don Drysdale, Bob Gibson, and Bruce Sutter to today's reigning pitching coach, Leo Mazzone-Roger Kahn sheds new light on baseball's most pivotal contest.

The Head Game : Baseball Seen from the Pitcher's Mound. Inside the great expanse of a ballgame is the essential core of what Roger Kahn, one of the national pastime's most esteemed chroniclers, calls "chess at ninety miles per hour." That core, of course, is the duel between pitcher and hitter. At its best — which is where Kahn wants to play - it's as cerebral, complex, and psychological a contest as exists in sports, hence the title of this fascinating exploration of how baseball's basic ...

In baseball, at least at the professional level in North America, the individual who heads the coaching staff does not use the title of "head coach", but is instead called the field manager. Baseball "coaches" at that level are members of the coaching staff under the overall supervision of the manager, with each coach having a specialized role.
