Secularism has been a controversial concept in Islamic political thought, owing in part to historical factors and in part to the ambiguity of the concept itself. In the Muslim world, the notion has acquired strong negative connotations due to its association with removal of Islamic influences from the legal and political spheres under foreign colonial domination, as well as attempts to restrict public religious expression by some secularist nation states. Thus, secularism has often been perceive

different interpretations. Secularism may mean the separation of state and religion, or it may mean the equality of all religions.

## **Secularism : Introduction, Meaning, Examples and Overview**

Nadia Kiwan's book, *Secularism, Islam and Public Intellectuals in Contemporary France*, addresses a topic that receives little attention in the social sciences: the position of Muslim intellectuals in France and their relationship to secularism. The interest of this work stretches beyond her object of study, and the problems she addresses speak to broader topics in preceding work on secularism and on the sociology of intellectuals.
